Thank you Tom. I plan to share this with Cathy Crothers. Is that OK?

Sorry about that. I thought I had already forwarded this.

This version is the one the Corps sprung on us about 3 weeks ago now. It is significantly different from the one the regional agencies agreed to and put in the signature chain last September.

If DWR wants to forego an MOU, I wouldn't spend much time with this rewrite, since it is irrelevant.

Subject: FYI-We've got the BDCP NEPA-404 Integration MOU to our Corps HQ for review (UNCLASSIFIED)

Classification: UNCLASSIFIED
Caveats: NONE

FYI,

Here's the version of the MOU which is currently under review by the 408 Part of Corps HQ. They've been asked to complete their review by Jan 30th. Afterwards, we'll float around the agencies for one last

review and then start through signature, unless edits made by other agencies which require additional review by the 408 part of the Corps in which case we'll have to circle back through everyone again. OK to share, but we're not asking for edits on this version.
